

MODULAR PERFORMANCE

FOR INSIDE OR OUTSIDE VENUES

THOR MOD OUTDOOR

12" x 12" x 5/8" Copolymer Suspended Sports Flooring designed for use outdoors - ranging from commercial tennis or basketball courts to residential backyard multi-sport courts - the Thor Mod Outdoor Tile was built to perform amongst the elements, providing the necessary friction and bounce to simulate traditional indoor play, all while outdoors.

THOR MOD INDOOR

12" x 12" x 5/8" Copolymer Suspended Sports Flooring designed for use indoors - ranging from commercial multi-sport courts to indoor residential basketball courts - the Thor Mod Indoor Tile was built to perform beneath almost all indoor sports, providing the necessary friction and bounce required for athletic activity.
