

## GO HARD. AT HOME.

**NEOFLEX PREMIUM GYM TILES** are highly durable, dual-durometer, resilient, slip-resistant rubber tiles suitable for Home or Garage Gyms, as well as home-based Crossfit and functional training spaces.

These 15 mm thick tiles are easily installed and are a cost effective choice for where a very tough, sound deadening, anti-vibration and comfortable tile surface is preferred.

### Exceptional Performance

-  Highly durable, synthetic EPDM rubber surface, with very low abrasion properties
-  Permanently elastic, flexible, comfortable under foot and no black rub-off
-  Sound & Vibration Deadening
-  Anti-static and slip-resistant
-  Environmentally friendly - made from 90% recycled material
-  No Smell, VOC Compliant, Halogen Free, Formaldehyde Free, Phthalate Free
-  Anti-microbial Treated - Easy to clean and easy to maintain
-  Fire Rated for Commercial Buildings

# Tested in Competition

Neoflex™ Premium Gym Tiles are competition-tested, by some of the world's strongest and most competitive athletes:
